**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep my internet broad band competition.

I dont want price hikes which will happen due to less competition.

Broadband is a platform that need to be encouraged and allowed full and unimpeded.

This country was founded upon the spirit of competition and the small working man.

It is crucial that this spirit is maintained in this country.
